

HEALTH CHECK

What type of diet do you have?

Is what you eat bio-degradable?

Are your organs healthy?

What is your physical constitution?

CIRCULAR ECONOMY

What is your ecological footprint?

Which body parts could you donate?

Do you mind having a chip installed in your brain?

Would you agree to being controlled remotely?

PERSONAL GOALS

Why do you want to become a new human being?

How would you improve the world?

What are your collective dreams?

What means death to you?

Please send the form to the representative of Stena Recycling in Ringön
Nathalie S. Fari: contact@nathaliesfari.com

We will evaluate your data and inform you if you are eligible to take part in this new
Stena Recycling research programme.
